

Rotorua Roller Skating Club Inc

Day to Day Health and Safety Policy

- 1. All Skaters under 13 years old at Open Club practises need to be supervised by a parent or Guardian. - If you are unable to supervise your child please advise the practise supervisor, so they can have your contact details.**
- 2. All non skaters must not be on the floor during any skating classes or practises.**
- 3. No balls on the rink during classes or practises.**
- 4. All skaters or those attending the rink during skating classes or practise must not play or touch the basket ball hoops. (these can easily tip over and can be very dangerous)**
- 5. No parking in the middle of the driveway entrance, even to drop off or pick up, thanks.**
- 6. During winter months when it is dark outside, all skaters under 13 who are waiting at skating, will need a parent supervising when playing on the courts or in the playground.**
- 7. Please treat the gym with respect at all times, report immediately any incidents to our lead coach (David Hook).**
- 8. All skaters need to be collected promptly at the end of practises, particularly practises that are late. We are not able to leave your skater waiting for you on their own.**
- 9. Please make sure the back door to the gym is closed at all times.**
