Matters Arising from Previous Minutes

1. Rental Subsidy

After reviewing our financial situation, Mel suggested we subsidise the gym rental fees at 25% for each competitive skater (rather than the originally proposed 40%). All agreed.

Agenda Items & General Business

1. Funding

We are applying to RECT for funding for the "Rotorua Artistic Roller Skating Show" for the amount of \$4,311.87 plus GST (\$4958.65 including GST) which will cover the cost of the quotes we have for the venue, lighting and sound. *Moved, May. Seconded, Clare. Agreed by all.*

Gill has also looked into Athletic Sponsorship through Sport BOP for the upcoming Oceanias competition. Skaters (athletes) must be 16 years of age as of the date of application. We have two skaters who will meet this criteria.

Gill suggested the funding sub-committee gets together to make a 5 year plan for funding. May also recommended thinking about our trainee coaches when undertaking this planning.

It was proposed that a sub-committee be formed to drive our Oceanias preparations, with a focus on funding/fundraising. All agreed in support.

2. Club Leotards / Uniforms

All agreed to stick with the current leotard for this year. If anyone is in need of another size, please use the Club's "Lesson Swaps etc" Facebook group. Any new leotard purchases will need to be self funded. May to place an order next week so that orders will arrive in time for Nationals.

3. Show Group RollArt Changes

Our Junior Small Show Group will change to Open so we can remain with the same programme length. At Nationals the Diversity Quad will change grade - David to advise in due course.

4. **Preparations for this Weekend's Areas**

Many thanks to everyone who is helping out with team management, catering, marshaling, costumes, etc. And a huge thank you to May who is the engine behind our skating train and to our wonderfully talented coach David. And of course best of luck to all of our skaters!
