Agenda Items & General Business

1. **Regular Floor Washes**

May commented on how much better the gym floor is after being washed with vinegar recently. Committee agreed to a regular monthly washing schedule to keep the floor clean and safe for our skaters. Also a reminder for skaters to wear their wrist guards.

2. **Fundraising**

Chocolates: These are going well and the committee has just ordered another batch for selling. Please hand your money from any completed boxes you've sold asap to Mel or Janine.

Lilybee wax wraps: The workshop for making our own wraps is scheduled for Sat 29 Aug 10am-12noon at the Fenton Park Bible Church, cnr Ward & Hilda Sts. Come along and enjoy a cuppa with a jam & cream scone and have a go at making your own wax wrap to keep. A price sheet and order form has been emailed out to the committee. Once we know how many people are interested in participating in this fundraiser (eg. selling wax wraps and the other items on the order form) Aly will organise to print these out and distribute.

3. **Introduction to Competitive Skating**

Gill has distributed the first draft of this document for feedback from the committee. Great job thanks Gill.

4. **Club Website**

Holly has nearly completed our new website. Just needs some Learn to Skate photos. Agreed that we don't need to put the Google calendar on the site as it slows it down. Holly will add to the FAQs to download the calendar and access from phone. Great work thanks Holly.

5. **Annual Show - Sat 5 Dec**

We have received \$4,000 in funding from RECT (thanks Clare & Sally-Anne for your work in securing this). This doesn't quite cover the total cost of \$4,236. May suggested that we ask the audience for a "donation" (rather than a gold coin) upon entry and that we donate the profit (funds over and above the costs we will incur to put on the show) to a child-centred charity or organisation, given our theme is about children. Irma had a great suggestion for helping impoverished skaters in South Africa. Everyone please have a think about ideas where this money could be well spent and we'll make a decision closer to the time.

6. **Zoom Meetings**

Everyone is happy to continue running our committee meetings in this format.

7. **Hamilton Competition**

May hasn't heard anything back regarding this upcoming competition (which is on the weekend after Labour w/e). She will let us know as soon as she hears anything further.

8. **Holiday Practices**

- a) David will be holding a senior squad over 4 days during the Christmas holidays, he will also see if the intermediate skaters would like to do a squad as well. Agreed to run these.
- b) b) agreed to run Christmas holiday practises from the week after New Year starting the week of the 4th Jan, running two practise a week, in two different groups. One week day and one weekend.

9. T1 2021 Gym Bookings

These need to be in by the end of September. Please let May know asap if you need to make any changes to your current times.

10. Sport BOP

Fiona C attended a Sport BOP meeting recently where she learned that there is govt funding available to support sports and suggested we put together a proposal for a skating rink in Rotorua. She will follow up with Sally-Anne and whoever else is interested in assisting with this.

NEXT MEETING
