May has completed the quote for costumes, we will use as many costumes as possible that we already have, but we do need quite a few costumes. The theme of a journey around the world, means we do need to spend more money than we normally would. We have also tried to look for costumes that will be useful in the future.

A. Sally-Anne proposed a motion to apply for funding to cover the cost of the costume purchase for our annual show to the Southern Trust for the amount of \$2963.42 USD which converts to \$4107.00 NZD at a conversion rate of .7213 seconded by Kinga  
Agreed by all

Signed as accurate and true

B. Clare proposed: a motion that we apply for Funding to cover the costs for venue hire plus the costs of the sound and lighting to Rotorua Energy Charitable Trust for the amount of \$4400.  
Seconded by Janine, Agreed by all.

General discussion and appreciation voiced by everyone to both Sally-Anne and Clare for their hard work, without this and the amazing funding agencies and that they apply too, we would not be able to offer the opportunities and experiences to our skaters, thank you.
