

Rotorua Rollerskating Club Committee Meeting Minutes

26th March 2021, 5.15pm

Present: Mel, May, Sally-Anne, Kinga, Hope, Clare, Sandra, Miki, Janine, Irma, Rosli, Holly, Sumana, Amanda (please let me know if i have left your name off)

Apologies: Ngaire, Fiona S, Fiona C, Gill, Rayoni,

Committee Agenda

1. Skate knowledge and maintenance time for new parents - For new skaters who want to learn how to maintain skates plus the difference in wheels, bearing, skates etc, we will do this Friday, April the 9th at 5.15pm, please can any parents who are able to help come and teach and show our new parents some of these skills come along and help. David will be teaching during this time so the more parents the better.

2. Areas code of conduct - These will be posted out next week, please bring your copy signed to the Sportsdrome practise on Saturday 10th April.

3. Storage of costumes - Sally-Anne has written to Lorraine about this, she will follow up with Holly regarding the Sports Coordinator and how it could be achieved with little impact on the school. Irma has also offered her work in Matamata but it is too far away. Hope has offered to discuss with her mother in law the possibility of storage as well. A big thank you to those trying to sort this out :-)

4. Funding costumes and show. - May to organise a quote for costumes for the 2021 show. Clare and Sally-Anne to look at funding options for these and the show costs.

5. Term two practices how to make them work more productively, do we need all of them. How to encourage skaters to use them better.

Discussion on increasing senior time on Monday but at this stage not possible.

Also I will resend out the rules and guidelines for skaters again on how to use practise more productively.

Splitting the groups 2 and 3 practises is working well, we will keep them as they are for term two.

6. Expressions of interest for 2022 nationals

We aren't interested in doing this.

7. Preparation for show in term three reminder the show is in the last weekend of the October holidays.

Check availability of Sportsdrome for the week before the show, also make sure all our skating families have plenty of notice of the date as it is in the last weekend of the school holiday.

8. Email account spam - Our hotmail email is getting lots of spam, Holly will look into creating a new email account for us.

9. Ribbons, end of term fun skate, newsletter - learn to skate class - The fun skate will be on Friday 9th April, 4pm to 5pm, along with the ribbon presentations. Janine and Ngaire to send out a newsletter to all learn to skate skaters to also remind them about there being no skating on Easter and the last Friday of term is Friday 9th as we have Areas competition. All class will remain as normal from 5pm onward on the 9th April.

10. Timetable for term two - May is working on this, should be ready last week of term one, there will be very few changes from this term, as the times are really tight, unfortunately we will be unable to move anyones lessons in term two as week days as still full.
